Are your employees in a battle for better health? WELCOA’s newest offering, Culture Clash, cuts to the core of what is causing our poor health—our unhealthy culture. For a high-quality life filled with energy and health—devoid of excess weight and chronic disease—your employees don’t have to turn to magic pills, quick fixes or novelty diets. Those things only mask the issues at hand. This book will lift that mask and set your employees up with the information and motivation to transform your workplace culture into one full of health and prosperity.

Culture Clash will:

✓ Reveal how quick fixes and fad diets don’t address underlying health issues.
✓ Transform your employees’ thinking about what it means to be healthy.
✓ Unmask the true cause of our unhealthy lifestyles.
✓ Instruct you on how to create your own culture of health!

To learn more about Culture Clash, please visit our website at welcoa.org/store/product-landing/culture-clash for more information!

“This book will be the sword and shield your employees need to battle the unhealthy culture that surrounds us all. The only long-term solution to better health is to create your own culture of health personally and professionally. Only then can your employees truly live a healthy lifestyle.”
